Thoughts and Commitments

Answer the following questions in order to gain insight on how we can work together and be independent.

- (1) **Why am I in my current major?** (Passions, future career goals, interests, etc.)
- (2) **What am I willing to do to ensure my academic success inside and outside of the classroom?** (Go to office hours, sit towards the front of the class, study extra hours, work on time management, figure out new study techniques, overcoming potential barriers)
- (3) **Who can I count on to hold me accountable?** (Brothers, family, friends, professors)
- (4) **How will I communicate my needs?**

I understand the commitments and goals for the term and will work diligently to follow through on them. I will count on others through our value of mutual esteem and dependence to help me to be successful in my endeavors to improve and reform.
